

MARKETING ESSENTIALS FOR BUSINESSES

Everything your customers need to launch and scale their business online.

Hostopia's Marketing Essentials plan helps businesses create and build a stronger online presence across search engines, social platforms, and directories. From managing profiles and monitoring SEO to tracking competitors and staying active on social media, it gives businesses everything they need to start getting found, build credibility, and stand out in their market.

POWERFUL FEATURES:

- ✦ **AI Review Responses** - Automatically respond to Facebook, Instagram, and Google reviews with AI — save time and ensure brand consistency.
- 🕒 **Smart Dashboard** - Full overview of reviews, mentions, and ad performance in one centralized place for faster, smarter decisions.
- 🔄 **Listings Sync** - Coordinate listings across Google, Facebook, and Instagram so customers always find accurate business details.
- 🤖 **AI Content Creator** - Generate, edit, and publish AI-powered posts and updates across Meta and Google platforms — making social content creation effortless.
- 🔍 **SEO Tracking** - Monitor website performance with integrated SEO scoring and feedback to stay competitive in search.
